

Natalie Feldman, CCIM

VP, Business Development

PROFESSIONAL EXPERIENCE

Ms. Feldman is a key member of the site evaluation group with JES Properties and advises on acquisition and disposition strategies on properties that feature opportunities for impressive investment returns to private capital clients in the areas of: residential land development, commercial land development and buy-to-hold land investments throughout Central Florida.

Ms. Feldman interacts with key decision makers among land owners, builders, development vendors and government relations throughout the development community to further the objectives of JES Properties.

Natalie has over 32 years of real estate experience in Texas and Florida including construction project management, property management, valuation, cost management strategies, distressed asset valuation, site selection, leasing, lease vs. buy analysis, site evaluation, market evaluation, real estate asset repurposing, property marketing, real estate technologies, and transaction brokerage and has held an active Brokerage License in Florida since 2003.

Ms Feldman is a requested speaker, and has been a contributing columnist in such publications as National Real Estate Investor, and is the inventor of record on a real estate technology business process patent application filed in 2012.
